WHO WE ARE

Company Overview

Founded in 2010 and fully registered with BRELA and TRA, **Banshap Investment Company Limited** is Tanzania's premier integrated business facilitation company. From our Samora Avenue offices at the heart of Dar es Salaam's commercial district, we serve hundreds of domestic and international clients with a comprehensive range of services: freight and haulage, port clearance, company registration, business licensing, tax compliance, agricultural supplies, investment advisory, and general procurement.

What began as a logistics coordination firm has grown into a fully integrated partner — one that connects businesses to Tanzania's regulatory framework, its transport corridors, and its investment opportunities with speed, transparency, and measurable outcomes.

"Our mission is to eliminate operational friction for businesses across Tanzania — connecting reliable logistics infrastructure with expert regulatory support to accelerate growth at every stage of the business lifecycle."

OUR FOUNDATION

Mission, Vision & Core Values

Our Mission

To eliminate operational friction for businesses across Tanzania — connecting reliable logistics infrastructure with expert regulatory support to accelerate growth at every stage of the business lifecycle.

Our Vision

To be East Africa's most trusted integrated business facilitation company — recognised for operational reliability, regulatory integrity, and the measurable commercial outcomes we deliver for every client we serve.

Core Values

01 Integrity

We operate with complete transparency in our pricing, timelines, and outcomes. Clients receive honest assessments, not optimistic estimates.

02 Reliability

We deliver what we commit to — on time, every time. Our systems are built to maintain performance consistency under any pressure.

03 Client Partnership

We invest in understanding clients' long-term goals and build relationships that extend well beyond individual engagements.

04 Operational Excellence

Every process is designed, measured, and continuously improved — applying structured quality management to all service lines.

05 Nationwide Reach

We bring the same quality of service to every region of Tanzania — from Dar es Salaam to Mtwara, from Arusha to Kigoma.

06 Continuous Improvement

We invest in our people, technology, and processes — staying ahead of regulatory and logistics changes to maintain a competitive edge.

WHAT WE OFFER

Our Service Lines

Nine integrated service lines designed to cover every operational, regulatory, and logistical need your business has — delivered by specialists who know Tanzania's business landscape inside and out.

1. Logistics & Freight Infrastructure
