01 COMPANY OVERVIEW

Who We Are

Fifteen years of operational excellence building Tanzania's business future from Dar es Salaam outward.

Founded in 2010, Banshap Investment Company Limited was established with a single, clear purpose: to eliminate the operational friction that slows business growth in Tanzania. What began as a logistics coordination firm has grown into a fully integrated business facilitation company — serving hundreds of clients across all major sectors.

Today, from our Samora Avenue offices at the heart of Dar es Salaam's commercial district, we provide comprehensive services spanning freight, regulatory compliance, company registration, investment advisory, and agricultural supply chains. We bring the same world-class standard of delivery to every client, regardless of size or sector — from individual entrepreneurs to multinational corporations.

"Our mission is to eliminate operational friction for businesses across Tanzania — connecting reliable logistics infrastructure with expert regulatory support to accelerate growth at every stage."

- ✓ Fully registered with BRELA, TRA, and all applicable regulatory bodies
- ✓ Active operations across all 26 regions of Tanzania
- ✓ Serving domestic and international clients since 2010
- ✓ 98% client satisfaction rate across all service lines

02 OUR FOUNDATION

Mission, Vision & Values

The four pillars that define how every member of the Banshap team approaches their work.

OUR MISSION

Eliminate Operational Friction

To eliminate operational friction for businesses across Tanzania — connecting reliable logistics infrastructure with expert regulatory support to accelerate growth at every stage of the business lifecycle.

OUR VISION

East Africa's Most Trusted Partner

To be East Africa's most trusted integrated business facilitation company — recognised for operational reliability, regulatory integrity, and the measurable commercial outcomes we deliver for every client we serve.

QUALITY STATEMENT

"Quality is What We Provide" — Banshap Investment Company is fully committed to delivering services that meet and exceed client expectations. This commitment is embedded in every process we run, every deadline we meet, and every outcome we deliver.

01

Integrity

Complete transparency in pricing, timelines, and outcomes. Clients receive honest assessments, not optimistic estimates.

02

Reliability

We deliver what we commit to — on time, every time. Our systems are built to maintain performance under any pressure.

03

Client Partnership

We invest in understanding clients' long-term goals, building relationships that extend well beyond individual engagements.

04

Operational Excellence

Every process is designed, measured, and continuously improved — structured quality management applied to every service line.

05

Nationwide Reach

The same quality of service from Dar es Salaam to Mtwara, from Arusha to Kigoma — consistent, reliable, everywhere.

06

Continuous Improvement

Active investment in our people, technology, and processes — staying ahead of regulatory and logistics trends.

03 OUR SERVICES

Comprehensive Business Solutions

Nine integrated service lines covering every operational, regulatory, and logistical need across Tanzania.

A · LOGISTICS & TRANSPORT SERVICES

01

Logistics & Freight Infrastructure

End-to-end supply chain management across Tanzania — delivered with precision.

- › Nationwide haulage on Northern, Central, and TAZARA corridors
- › Port clearance and customs documentation management (Dar es Salaam)
- › Warehousing facilities in Dar es Salaam, Arusha, and Mwanza
- › Real-time GPS cargo tracking with client portal access
- › 24/7 operations centre for critical logistics escalations

02

Cargo Transportation

Reliable, time-bound freight delivery for all cargo types across East Africa.

- › Heavy commercial fleet for bulk and break-bulk freight
- › Temperature-controlled transport for perishables and pharmaceuticals
- › Cross-border freight experience (Tanzania, Kenya, Uganda)
- › Load consolidation for cost-efficient SME logistics

03

Vehicle Registration & SUMATRA Compliance

Complete fleet documentation management — keeping vehicles road-legal and insured.

- › SUMATRA licence procurement and annual renewal
- › Vehicle inspection scheduling and certification
- › Fleet documentation management and tracking
- › Third-party liability insurance coordination

B · REGULATORY & COMPLIANCE SERVICES

04

BRELA Company Registration

From name search to certificate of incorporation — completed in as few as 3 business days.

- › Company name search and reservation
- › Memorandum and articles of association drafting
- › Certificate of incorporation delivery
- › Foreign branch and NGO registration
- › Annual returns filing with BRELA

05

Business Licensing Services

Multi-agency licence procurement across 12 industry sectors, managed end-to-end.

- › Licences from TBS, TFDA, SUMATRA, NEMC, and local authorities
- › Annual licence renewal with deadline tracking
- › Sector licence audits and gap analysis
- › Fire, safety, and environmental compliance

06

Annual Returns & Tax Filing

Full TRA compliance by CPA-T qualified tax professionals — zero penalties, zero surprises.

- › Corporate income tax and VAT return preparation
- › TIN and VAT registration for new entities
- › EFD machine procurement and TRA registration
- › TRA audit representation and advisory

03 OUR SERVICES (CONTINUED)

Business & Advisory Solutions

Strategic advisory, agricultural supply chains, and corporate procurement — all under one roof.

C · BUSINESS & ADVISORY SERVICES

07	Investment & Corporate Advisory <i>Guiding domestic and foreign investors through Tanzania's dynamic commercial environment.</i> › Market entry strategy and sector feasibility analysis › Company structuring and shareholder agreements › Regulatory roadmap for foreign direct investment › Ongoing operational and compliance advisory	08	Agricultural Inputs & Supplies <i>Certified agri-inputs delivered to farming enterprises and cooperatives nationwide.</i> › TOSCI-certified seed varieties for food and cash crops › TFRA-licensed agrochemical distribution › Bulk fertiliser and irrigation equipment supply › Delivery to cooperative warehouses in all agricultural zones	09	General Supplies & Procurement <i>Corporate procurement delivered with verified documentation and competitive pricing.</i> › Office equipment and IT hardware procurement › Industrial consumables and institutional supplies › Full procurement documentation and delivery tracking › Framework agreements for recurring institutional needs

04 THE BANSHAP ADVANTAGE

Why Choose Us?

We combine operational depth with regulatory expertise to deliver outcomes independent providers cannot match.

01 Operational Reliability

Our logistics fleet and regulatory teams maintain 98.4% on-time performance across all active engagements, backed by real-time tracking and proactive client communication at every milestone.

On-Time Performance: 98.4%

02 Fast Execution

Standard BRELA registrations completed in 3 business days. Licence applications tracked daily. Logistics dispatched within 4 hours of confirmed booking — speed is our baseline, not our exception.

BRELA Reg. In: 3 Business Days

03 Regulatory Expertise

Deep working relationships with BRELA, TRA, TFDA, TBS, SUMATRA, and NEMC enable us to navigate complex multi-agency applications faster than any competitor in the Tanzanian market.

Agencies Covered: 6+

04 Professional Advisory Team

Our team includes CPA-T certified accountants, compliance specialists, and logistics planners with collective experience spanning 15+ years of Tanzania's commercial environment.

Combined Experience: 15+ Years

05 Nationwide Coverage

Active operations in Dar es Salaam, Dodoma, Mwanza, Arusha, Mbeya, and Zanzibar — with an established agent network covering all 26 regions of Tanzania without exception.

Coverage: All 26 Regions

06 Dedicated Account Management

Every client is assigned a dedicated account manager available Monday to Saturday. Critical logistics operations receive 24/7 escalation support through our central operations centre.

Account Support: Mon–Sat + 24/7 Escalation

05 HOW WE WORK

Our 4-Step Engagement Process

A streamlined model designed to deliver results quickly — with full transparency at every stage.

01

Consultation

No-obligation meeting to understand your requirements, timeline, and business objectives — in person or via video call.

- › Needs assessment
- › Timeline scoping
- › No-obligation meeting

02

Assessment & Planning

Our specialists assess documentation, regulatory status, and operational requirements — then deliver a clear action plan.

- › Documentation review
- › Action plan with milestones
- › Transparent cost structure

03

Execution

Our dedicated team submits applications, coordinates logistics, and manages all agency interactions on your behalf.

- › Daily status updates
- › Multi-agency coordination
- › Dedicated account manager

04

Delivery & Support

All documentation and operational handovers are delivered — followed by ongoing compliance and operational support.

- › Certificate & document delivery
- › Ongoing compliance support
- › Renewal reminders

06 CLIENT RESULTS

What Our Clients Say

From first-time investors to established multinationals — here is what businesses across Tanzania say about Banshap.

“Banshap handled our entire BRELA registration and business licence applications in under a week. What we were told would take a month was done in four business days. Exceptional professionalism from start to finish.”

Emmanuel Kariuki
Chief Executive Officer · Kariuki Trading Co.

“Our logistics costs dropped 22% in the first quarter after engaging Banshap for route planning and freight consolidation. Their team understands the Tanzania corridor like no other firm we have worked with.”

Amina Msangi
Procurement Director · Agro Exports Ltd.

“As a foreign investor entering the Tanzanian market, the regulatory landscape was daunting. Banshap guided us through every step — from company incorporation to sector licences — with transparency and speed.”

Sarah Odhiambo
Country Manager · NovaBridge Capital

07 OUR PEOPLE

Leadership Team

Specialists with deep expertise across logistics, regulatory compliance, corporate law, and investment advisory.

David Njoroge
Managing Director

15 years of executive leadership across logistics, investment facilitation, and corporate governance in East Africa. Champion of Banshap's operational growth strategy and national expansion.

Amara Diallo
Head of Regulatory Services

Certified compliance specialist with 10 years' experience navigating BRELA, TRA, TFDA, and SUMATRA licensing processes for companies across 12 industry sectors.

James Okonkwo
Head of Logistics

14 years of freight and corridor operations expertise, including port clearance, fleet management, and cold chain logistics across Tanzania and East Africa.

Fatima Hassan
Senior Tax Advisor

CPA-T qualified tax professional specialising in corporate tax compliance, annual returns, and TRA audit representation for SMEs and large enterprises across Tanzania.

Michael Banda
Investment Advisory Lead

MBA and CFA-qualified investment strategist with experience advising foreign and domestic investors on market entry, sector selection, and corporate structuring in Tanzania.

Grace Mwangi
Client Relations Manager

Dedicated to ensuring every client interaction exceeds expectations — managing onboarding, account health, and the quality assurance programme across all service lines.

08 TRUST & COMPLIANCE

Our Regulatory Standing

Fully registered, compliant, and operationally verified — at every level of Tanzania's regulatory framework.

BRELA Business Registrations & Licensing Agency Fully incorporated under BRELA. Certificate of incorporation issued. Annual returns filed and current.	TRA Tanzania Revenue Authority Registered taxpayer with active TIN and VAT status. CPA-T qualified team managing full tax compliance.	SUMATRA Surface & Marine Transport Regulatory Authority All vehicle fleet operations comply with SUMATRA licensing requirements. Fleet documentation current.
TFDA / TBS Tanzania Food & Drugs Authority & Bureau of Standards Agricultural supply operations compliant with TFDA and TBS standards for agri-input distribution.	NEMC National Environment Management Council Environmental compliance maintained for all logistics operations in environmentally sensitive corridors.	ISO Aligned Quality Management Standard Operational processes aligned with ISO quality management principles — consistent, auditable, and measurable.

COMPLIANCE DECLARATION

Banshap Investment Company Limited operates in full compliance with all applicable laws, regulations, and professional standards of the United Republic of Tanzania. All client engagements are conducted with complete transparency, documented accountability, and strict adherence to anti-corruption and anti-money laundering frameworks.
